

EXPERIENCE OUR TERRITORY between Enogastronomy and Tourism

PROVINCE/REGION: Rimini, Emilia Romagna

			
DURATA	LOCATION	PAX MIN-MAX	TARGET
2 WEEKS	RIMINI	6 – 12	YOUNG PEOPLE

SUMMARY

The Rimini province has an important food and wine tradition renowned worldwide, as well as its cordiality and its products with protected designation of origin: piadina, squacquerone cheese, saba (grape syrup), extra virgin olive oil, wine. The culinary heritage during the years has launched many rural tourism businesses with some examples of excellence.

The mobility project has the following aims:

- improving Italian language knowledge (writing and speaking);
- get acquainted with local accommodation services;
- get acquainted with food and wine supply chain;
- acquiring culinary skills using local raw materials;
- improving professional skills;
- fostering cultural enrichment getting in contact with another culture.
