

PATHWAY IN PIEDMONT

PROVINCE/REGION: Alessandria, Piedmont

 DURATA	 LOCATION	 PAX MIN-MAX	 TARGET
1 WEEK	ACQUI TERME	6-12	STAFF

SUMMARY

Acqui Terme is located in the south-west High Montferrat area, on the left side of the Bormida river, in a gently wavy landscape. The town is in a key position and an important crossroad. The vivid local economy is enriched by the thermal tourism, enhanced by the excellent accommodation service and a great number of commercial, cultural, recreational and sport facilities.

The mobility project has the following purposes:

- deepen the knowledge of the piedmontese training system;
- get acquainted with local accommodation services;
- get acquainted with local food and wine supply chain;
- acquiring culinary skills using local raw materials;
- fostering cultural enrichment getting in contact with another culture exchanging good practices.

WHAT WE OFFER

- Initial briefing
- Tutoring
- B&B accommodation
- Airport/Station transfer and local transports (optional)
- Social and cultural activities (optional)
- Learning outcomes validation (attendance certificate)

WHERE WE ARE

The project will take place in the Acqui Terme area, in south-west Piedmont. Its position makes the town ideal to produce food and wine excellences, including cured meats, cheeses, the "Tonda gentile" hazelnut, fruit and vegetables that are the basis for many typical recipes.
