

HEALTHY COOKING IN VENETO:

A farm-to-table approach

 DURATA	 LOCATION	 PAX MIN-MAX	 TARGET
2 WEEKS	CONEGLIANO (TREVISO)	15-24	LEARNERS/STAFF

SUMMARY

Conegliano, a peaceful town in central Veneto, is a pleasant destination all year long: its many vineyards and wineries, along with an historical tradition of gastronomic delicacies production, offer visitors unique possibilities in term of gastronomy.

The love for good wine and food is a part of life, the engine of the local economy and the meeting point between culture and tradition, food quality and authenticity.

The main aims of the mobility project are:

- promote employment in the hospitality industry;
- improve professional and Italian language skills;
- learn new cooking techniques;
- study local typical products;
- promote intercultural exchange

WHAT WE OFFER

- Welcome day
- Tutoring
- Laboratory technical training
- Linguistic training
- Guided tour in local businesses
- Accommodation
- Airport transfer
- Local transport
- Social and cultural activities
- Learning outcomes, definition and validation (Europass)

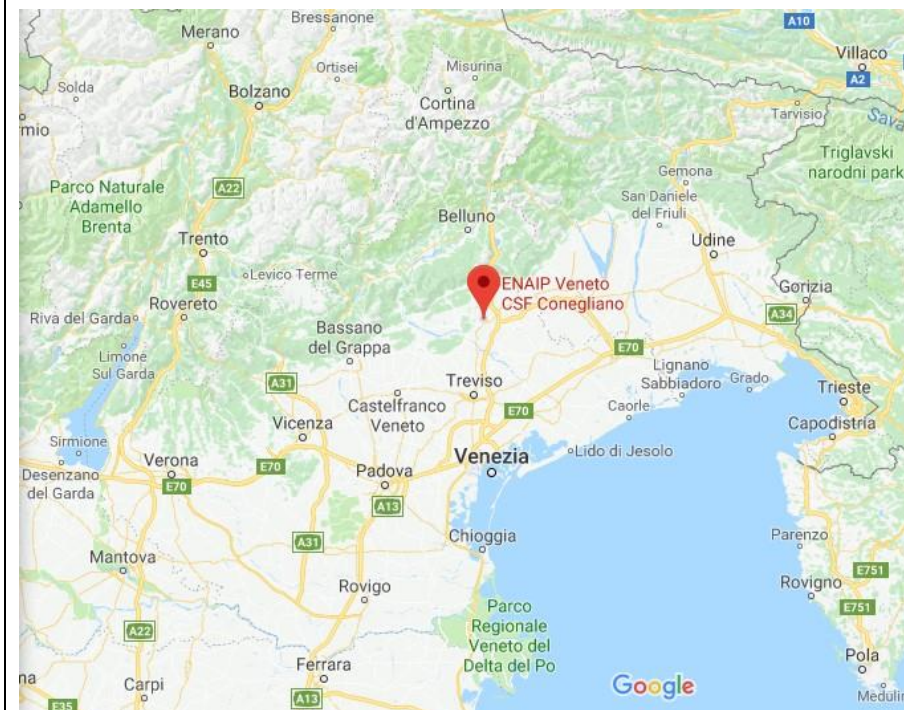

WHERE WE ARE

The mobility project will take place in Conegliano, a town rich in history and art, nestled in the famous Prosecco vineyards.
